Summer 2023

NEW SCHOLARSHIPS ESTABLISHED

The following scholarships were established through the Kewanee Schools Foundation to benefit KHS students.

KHS CLASS OF 1972 SCHOLARSHIP

Members of the Kewanee High School Class of 1972 have generously established a scholarship to be used to ease the financial burden of post-high school education.

In celebration of their 50th Reunion held on October 8, 2022 at the Kewanee Elks Club, Dr. Rick Cernovich announced that the Class of '72 raised a total of \$52,592 in cash and pledges to establish the new KHS Class of 1972 Scholarship. This effort was the result of a desire by the Class to give back to the school that helped shape their lives and gave them a strong educational foundation for future success. Leading by example, it is the Class of '72's desire to challenge other graduating classes to do the same or more.

"This is the largest amount donated by any graduating class", stated Liz Breedlove, Executive Director of the Kewanee Schools Foundation. "The Foundation and Kewanee School District are sincerely grateful for the generous funds that will be available to

its graduating seniors and feel humbled that the Class of '72 has chosen to support them in this significant way."

The KHS Class of 1972 Scholarship will provide one \$4,000 scholarship to be awarded each year to a student pursuing academic or skilled trade coursework at Black Hawk College or BHC East Campus. The scholarship will be based on financial need and awarded to a student not receiving other monetary awards. The selection committee shall be comprised of the Kewanee High School

administration with input from members of the KHS Class of 1972. The first scholarship was awarded at Commencement on May 21, 2023.

"On behalf of our current and future students, I wish to thank the Class of 1972 for recognizing the financial difficulties that students face as they further their education at our local community college" added Dr. Christopher Sullens, Superintendent of Kewanee Community Unit School District #229.

KHS CLASS OF 1957 SCHOLARSHIP

In lieu of the Class of 1957 60th class reunion, classmates were challenged to raise \$10,000 to re-establish the KHS Class of 1957 Scholarship. Their goal was surpassed!

The award will be given at commencement to a qualifying senior who meets the following criteria:

- Exhibits good character.
- Serious about furthering their education and that this assistance will contribute to that end.
- Preference will be given to a student who has not received other monetary awards.

P.A. HINDERLITER SCHOLARSHIP

Established in 2022 by Peggy Hinderliter, Class of 1964, Peggy was a nurse anesthetist for 45 years serving the Peoria area hospitals. She retired in 2014.

The criterion to be considered in determining the recipient of this scholarship include:

- Must be pursuing a degree in the healthcare field. Preference to students pursuing a nursing career (LPN, RN or other advanced nursing degree; CNA not eligible).
- Minimum of 3.0 GPA.
- Preference will be given to a student demonstrating financial need.
- Must be a studious, hard-working student who demonstrates care and concern for his or her fellow students and the community.

RICHARD SCHIELER PERFORMING ARTS SCHOLARSHIP

This scholarship was established in 2023 from the estate of Richard P. Schieler. Mr. Schieler had a strong interest in the performing arts. This scholarship is intended for students who have participated in performing arts while at Kewanee High School including one or more of the following: theater, drama, band, choir, Group Interpretation (GI) and speech. The scholarship is intended for a student who embodies the spirit of the Kewanee High School creed which states "May the times spent here be pleasant for you, profitable for society, helpful for those you meet, and a joy to those who know and love you best."

The criteria to be considered in determining the recipient of this scholarship include:

- Must have a cumulative GPA of 2.5 or higher
- Must be enrolled in a 2- or 4-year college/university or skilled trade school
- Demonstrates a true passion for theater, drama, music performance and other performing arts (e.g. Group Interpretation, speech, band and choir).

TYANDA THOMAS KINDNESS AWARD

Tyanda Thomas

Wikipedia defines Kindness as a behavior marked by acts of generosity and consideration, rendering assistance or concern for others, without expecting praise or reward in return. Tyanda Thomas embodied this definition with her caring, kind nature and numerous acts of kindness throughout her life. The Tyanda Thomas Kindness Award was established to honor and memorialize Tyanda for her kind heart and exemplary character.

Receiving a Master's degree from the University of Illinois, Tyanda became a social worker to help others. She always supported, in spirit, the Kewanee High School tennis team and everyone she knew. This monetary award is to provide funds to one student to further their future after high school.

Criteria for this award is as follows:

- Must be a graduating senior.
- Must have exemplary character, and have demonstrated acts of kindness and acceptance of others.
- Must be a student who helps others without expecting praise or reward in return.

Dear Alumni & Friends,

You have the unique opportunity today to change the lives of countless students with your generous gift to the Kewanee Schools Foundation. For 33 years, it has been the mission of the Kewanee Schools Foundation to strengthen the educational opportunities for students of the Kewanee School District and promote community engagement within the District. In order to meet our mission, and provide for the nearly 2,000 students in the District, we rely on the generosity of alumni like you, as well as other individuals and businesses.

The KHS Class of 1972 and 1957 took the unique opportunity to band together in generous support of these students by establishing the Class of 1972 and Class of 1957 Scholarships, respectively. As many of these alumni credit their success in life in part to the education received through Kewanee Schools, many feel a great responsibility to pay their success forward to help KHS graduates achieve higher education. These alumni classes are to be applauded for their efforts!

We are also thrilled to highlight the newly established P.A. Hinderliter Scholarship, Richard Schieler Performing Arts Scholarship and Tyanda Thomas Kindness Award that were given for the first time this year. As a result, over \$128,000 was awarded to our graduating seniors this year through the Foundation and District. This is the largest amount awarded in one given year to date. THANK YOU to all of our scholarship benefactors for making this possible!

Kewanee School District does a great job in providing a high quality education to students, due to its excellent and committed teaching staff, as well as the resources made available to them through donations to the Foundation's Annual Fund Campaign. In addition, the District provides numerous extracurricular activities to students. Studies show that students who participate in them have higher grades, are more positive about school, and are more likely to pursue higher education. These school activities help provide a well-rounded education for our students.

Won't you consider a gift of \$25, \$50, \$100 or more to the Kewanee Schools Foundation's 2023 Annual Fund Campaign? Your gift can be used to support scholarships, instructional supplies, extracurricular and cultural opportunities, or be applied to another fund of your choice. Or, it can remain unrestricted (supports areas of greatest need). Every dollar counts, no matter how large or small!

Thank you in advance for your generous contribution. Your support changes the lives of our students, and hopefully yours too, through your kind assistance!

Warm regards,

A handwritten signature in black ink that reads "Elizabeth Breedlove".

Elizabeth Breedlove
Executive Director

P.S. Please find an enclosed remittance envelope for your donation, or you can donate online at www.kewaneeshoolsfoundation.org, or call the Foundation office at (309)856-8702. All gifts are tax-deductible as allowable by law. Thank you!

CONGRATULATIONS DISTRICT 229 RETIREES

Pictured left to right: Bob Dybdal, Kim Ellenberger, Christine Gustafson, Robin O'Connor, Sarah Titlow and Steve Hill.

Missing from photo Becky Henkins and Rose Schmidt.

Kewanee Community School District #229 offered well wishes to several district employees who retired at the end of the 2022-23 school year.

Retiring employees include Sarah Titlow, Bob Dybdal, Kim Ellenberger, Steve Hill, Becky Henkins and Rose Schmidt. Also honored for their service was Henry-Stark Special Education retirees Christine Gustafson and Robin O'Connor.

Robert "Bob" Dybdal taught for 16 years at KCSD, as both a Title 1 teacher at Irving School and then as a Junior High Science teacher at Central School. His other activities with the school district include assistant track coach, assistant girls basketball coach, seventh grade girls basketball coach, junior high track coach and assistant golf coach.

Kim Ellenberger has worked for 24 years with the Kewanee School District. Her experience included teaching kindergarten and first grade at Central School; first grade teacher at Lyle School; second grade teacher at Irving School; fifth grade teacher at Central School and kindergarten teacher at Belle Alexander School. She also was a junior high girls basketball coach.

Sarah Titlow worked 34 years for the school district, 16 of those years were spent teaching for Henry-Stark Special Education. Sarah was also a cheerleading coach for the district, directed some of the school plays and was a girls track coach.

Steve Hill worked 37 years for the Kewanee School District. He started in 1978 in the work program as a part-time custodian. In 1980, he began working part time during summer and breaks in the custodial department. He was an aide from 1986-93 and returned to custodial work from 1993-2023. He also worked as a bus driver for the district from 2008-2009. Other activities include an assistant girls basketball coach and AV duties.

Becky Henkins worked 23 years for the Kewanee School District as a playground supervisor/aide at Central School, a secretary at Central School and worked as an aide, secretary, aide and lunchroom worker at Belle Alexander School. She was a track coach for the district as well.

Rosalie Schmidt worked 19 years with the Kewanee School District, 10 years Resource teacher at Central School and 7 years in Special Education at Kewanee High School. She also worked for Brimfield CUSD.

ALUMNI SPOTLIGHT

DAVID SPRAGUE - CLASS OF 1972

After graduating from Kewanee High School in 1972, Dave Sprague was not sure what he wanted to do for a living. So he enrolled at Black Hawk College East Campus, later transferring to Illinois Wesleyan University where he earned a bachelor's degree in Finance and Insurance.

After graduation, Dave began working for St. Paul Fire and Marine Insurance company as a commercial multi-peril underwriter in Atlanta, Ga. He immediately started taking evening graduate courses at Georgia State University in insurance studies. Throughout his career, Dave furthered his education whenever he had the chance, attaining three Master's Degrees: Master of Science in Industrial Studies (University of Wisconsin – Platteville); Master of Business Administration (MBA) (Drake University); and Master of Management, Federal Acquisition and Contract Management (University of Dallas). Dave also taught graduate courses part-time at two universities. To say that Dave has a love of learning is an understatement.

Dave later went to work for defense contractors including Martin Marietta Aerospace, Martin Marietta Data Systems and E-Systems (now Raytheon Intelligence and Information Systems) as a contracts manager/negotiator, where he worked in areas that included MX missiles,

satellites and software. He was also employed with Compaq Computer as a contracts negotiator. While at Compaq, he took a position in their Compaq.com group managing their investments in internet start-ups. Dave's experience at Compaq, led to other positions at internet start-ups as a Director of Business Development. When each of those companies got purchased, he moved on to other start-ups, eventually leaving California for Virginia. In Virginia he found a job with AOL in their legal group as a contracts manager/negotiator. After a couple of years at AOL, Dave was offered a position at AOL's Co-Founder, Steve Case's new start-up Revolution Health.com. He enjoyed his position until it was bought out too. Dave was looking for a new job while helping with Revolution Health's transition and was offered a position at the Federal Reserve. While at Revolution Health, Dave reported to Ron Klain, who then served as President Biden's Chief of Staff from 2021 to 2023.

Dave spent 13 years at the Board of Governors of the Federal Reserve, officially retiring on February 1, 2022. While at the Board, he worked in two different positions. He started in Acquisitions, in a position where he negotiated contracts for the Board. At the end of his first year he was awarded "The Director's Award of Excellence". He was then asked to help the Banknote Planning and Quality Control section negotiate and execute an important contract. Once the agreement was executed, the Banknote section offered him a position in the section. The small section of 18 people is responsible for everything concerning currency. By US statute, the banknotes must be printed by the US Bureau of Engraving and Printing (BEP) and the Board must pay the costs of the BEP. The Banknote section oversees the education about currency, the printing, the quality, the budget and the security features in the

banknotes. The section is also directly responsible for the transportation of the banknotes from the two BEP printing facilities to the Federal Reserve Banks. The Banknote Planning and Quality Control section has three groups. The one that Dave was a member of was responsible for overseeing the quality of the notes, the development of security features in the notes, helping to choose and purchase the large printing presses used by the BEP, and representing the Board on international counterfeit groups. Dave was the Secretary for the Counterfeit working group of the Four Nations Association. The members are made up of the Central Banks of the UK, Australia, Canada, Mexico and America. While at the Federal Reserve, Dave was in meetings with Janet Yellen, who was the Chair of the Board and is now the Secretary of the Treasury.

As you can see, Dave's impressive career included a variety of work and experiences which kept it interesting and allowed him to continue learning. Traveling all over the world for work and personal enjoyment, he also fortunately survived a few natural disasters along the way. "I don't think I personally could have ever stayed at the same job for 45 years because I always wanted to keep learning" states Dave.

In retirement, Dave volunteers at a local foodbank, a no-kill dog rescue, and also provides help to an elderly neighbor. He enjoys the company of his dog Lilly, his second Rhodesian Ridgeback. Dave credits being involved in organizations, clubs, sports and charities as helping him to develop a better, well-rounded personality, allowing him to interact with all types of people in all kinds of situations. This includes different races, nationalities, levels of society and income. The Foundation and Kewanee School District is proud of Dave and all he has accomplished in his career and life since he walked the halls of KHS.
